## The Opportunity

Now new clothes need not lose their shine and crispness

All new clothes today lose their shine and crispness in just few washes. As a result, the colors tend to fade and the fabric appears weak and crumpled.

Wish I could keep my new clothes new for longer!

Presenting new Ujala Crisp \& Shine. An after-wash solution with a unique PolyFx formula that imparts a layer to each fiber to restore the crispness of the garment and add shine to its surface to make them look the same as they were bought new with a lasting fragrance
