INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF SNOWAYS LAUNDRERS & DRYCLEANERS PVT. LTD.

Report on the Ind AS Financial Statements

We have audited the accompanying Ind AS financial statements of Snoways Laundrers & Drycleaners Pvt. Ltd. ("the Company"), which comprise the Balance Sheet as at 31 March, 2018, and the Statement of Profit and Loss, the Cash Flow Statement and changes in equity of the Company for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these Ind AS financial statements based on our audit.

In conducting our audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit interceptuation of the Act and the Rules made thereunder.

We conducted our audit of the Ind AS financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the Ind AS financial statements.

We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the Ind AS financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March, 2018, and its loss, its cash flows and the changes in equity for the year ended on that date.

Note 1 - BACKGROUND

Snoways Laundrers & Drycleaners Private Limited ('the Company') was incorporated on April 16, 2008. The Company is principally engaged in the business of laundry and drycleaning services.

Note 2 - BASIS OF PREPARATION

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015.

Note 3 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The significant accounting policies are as follows:

a) Use of estimate

The preparation of financial statements, in conformity with Ind AS requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets, liabilities and disclosure of contingent liabilities at the end of the reporting period. Although these estimates are based upon management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

b) Property, plant and equipments

Fixed assets are stated at cost, less accumulated depreciation, amortisation and impairment losses if any. Cost comprises the purchase price and any directly attributable cost of bringing the asset to its working condition for its intended use. The Land which is shown in the Balance Sheet was taken on Lease from Karnataka Industrial Areas Development Board for tenure of 10 years. During the year ownership of the property has been transferred to the Company.

c) Intangible assets

Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less accumulated amortization and accumulated impairment losses, if any. Intangible assets are amortized on a straight line basis over the estimated useful economic life. The uses a rebuttable presumption that the useful life of an intangible asset will not exceed ten years from the date when the asset is available for use.

d) Depreciation and amortisation

Depreciation on all Tangible Assets is provided using the Straight Line Method (SLM) based on the useful lives as estimated by the management.

e) Borrowing Costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the respective asset. All other borrowing costs are expensed in the period they occur. Borrowing costs consist of interest and amortisation of ancillary costs incurred in connection with the arrangement of borrowings.

f) Operating Leases

Leases, where the lessor effectively retains substantially all the risks and benefits of ownership of the leased item, are classified as operating leases. Lease payments on operating leases are recognized as an expense in the statement of profit and loss on a straight-line basis, over the lease term.

A lease in which the ownership of lease assets will be transferred to the lessee at the end of lease is called Finance Lease. Each lease payment is apportioned between the finance expense and the reduction of the outstanding lease liability. The finance expense is recognized in profit or loss on a basis that reflects a constant periodic rate of interest on the finance lease liability.

g) Inventories

Inventories of raw materials, packing materials, work-in-progress, finished goods, stores and consumables items are valued at cost or net realizable value, whichever is lower. However, materials and other items held for use in the production of inventories are not written down below cost if the finished products in which they will be incorporated are expected to be sold at or above cost.

Cost is ascertained on First-in-First out ('FIFO') basis and includes all applicable costs incurred in bringing goods to their present location and condition. Cost of work in progress, manufactured packing material and finished goods includes materials and all applicable manufacturing overheads.

Net realisable value is the estimated selling price in the ordinary course of business, less estimated cost of completion and estimated cost necessary to make the sale.

h) Revenue recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the and the revenue can be reliably measured.

Sale of Services

Service revenue is recognised on completion of services and where no significant uncertainty exists regarding the amount of the consideration that will be derived from rendering the service. Service revenue are net of service tax.

Interest

Revenue is recognised on a time proportion basis taking into account the amount outstanding and the rate applicable.

i) Foreign currency translation

(i) Initial Recognition

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

(ii) Conversion

Foreign currency monetary items are reported using the exchange rate prevailing at the reporting date. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction.

(iii)Exchange Differences

Exchange differences arising on the settlement of monetary items or on reporting company's monetary items at rates different from those at which they were initially recorded during the year, or reported in previous financial statements, are recognised as income or as expenses in the year in which they arise.

j) Income-tax

Tax expense comprises of current and deferred tax. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Indian Income Tax Act. Deferred income taxes reflects the impact of current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years.

Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the balance sheet date. Deferred tax assets are recognised only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised. In situations where the company has unabsorbed depreciation or carry forward tax losses, all deferred tax assets are recognised only if there is virtual certainty supported by convincing evidence that they can be realised against future taxable profits.

At each balance sheet date the Company re-assesses unrecognised deferred tax assets. It recognises unrecognised deferred tax assets to the extent that it has become reasonably certain or virtually certain, as the case may be that sufficient future taxable income will be available against which such deferred tax assets can be realised.

The carrying amount of deferred tax assets are reviewed at each balance sheet date. The writes-down the carrying amount of a deferred tax asset to the extent that it is no longer reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which deferred tax asset can be realised. Any such write-down is reversed to the extent that it becomes reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which deferred tax asset can be realised. Any such write-down is reversed to the extent that it becomes reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available.

k) Provisions

A provision is recognised when the company has a present obligation as a result of past event; it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to its present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

l) Contingent liabilities

A contingent liability is a possible obligation that arises from past events whose existence will be coned by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

m) Cash and Cash equivalents

Cash and cash equivalents for the purpose of cash flow statement comprise cash at bank and in hand and short-term investments with an original maturity of three months or less.
